

Electronic filing in Domestic and Probate Law matters offered soon

Mohave County Superior Court is pleased to announce that eFiling will be available for subsequent filing in Domestic Relations, Probate, and Guardianship/Conservatorship cases beginning **April 5th, 2021**. The State of Arizona ramped up eFiling efforts in response to the COVID pandemic last year to reduce the amount of in-person traffic at the Courthouses across the state.

The Mohave County Superior Court looks forward to continuing to serve the public in an efficient manner by providing the eFiling service to Court customers. For information on the eFiling system and to register and train for its use, you can visit
